

Giving a gift
in memory of
a loved one

Leuchie is warm and wonderful and truly like coming home. 🌻

A gift given to Leuchie in memory of a loved one is a powerful way to celebrate their life, while creating a legacy of hope and support for families living with the effects of conditions like MS, MND, Parkinson's and stroke.

It can be comforting to know that your gift, given in their honour, means that after they are gone, the place they so loved is supported and continues to be a lifeline for so many people.

There are many unique ways you can remember someone special, outlined in this booklet. If you wish to discuss anything with us, call us on 01620 892864 or email fundraising@leuchiehouse.org.uk

Set up a tribute

The loss of someone close to you is a deeply personal experience. Setting up a tribute page in honour of your loved one is a unique way to keep their memory alive.

In one online space, friends and family can share special memories and photos and light virtual candles on important dates. People can also choose to donate to support the work Leuchie does, which can be especially poignant if Leuchie was important to your loved one during their lifetime.

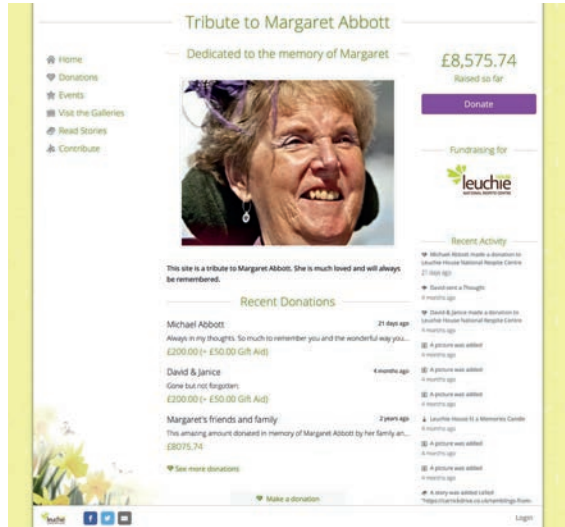

When your tribute reaches £250, you can choose to add a named leaf to our 'Tree of Life' in our reception area.

Is a tribute page easy to set up?

Yes, it should take no more than 10 minutes to set up. We are happy to help you or set it up for you if you need assistance.

Do I pay for a tribute page?

No, it is completely free to set up and messages can be added for free too, a donation is not compulsory to post on the page.

Memories are so deep and forever

MICHAEL AND MARGARET'S STORY

A condition like MS has a huge impact on individuals and their carers, so Margaret and I were delighted when we found Leuchie House. Leuchie provided the comfort that Margaret and I were looking for. She had all her needs catered for whilst she was there and it gave me a break from my caring responsibilities, knowing how well cared for and happy she was.

Margaret took holidays at Leuchie at least twice a year until her last visit in 2016, the year she suddenly passed away.

It is very hard when someone close to you passes away and can be difficult to find a tangible way to remember them, as the memories are so deep and forever. My three sons and I decided to raise money for a project at Leuchie in Margaret's memory as it was a place that meant so much to her.

Along with family and friends, we raised over £8,000 to restore and refurbish the Aviemore Lounge at Leuchie. It was a project close to our hearts as it was one of Margaret's favourite rooms. It gave her peace to look out into the woods and see the Roe deer. We hope that many guests will find the Aviemore Lounge a peaceful room to sit in and relax during their stay.

My sons and I wanted to fund something at Leuchie in Margaret's memory that would benefit as many people as possible.

Leuchie's Tree of Life

Just like the beautiful trees that line the drive to Leuchie, our 'Tree of Life' is a stunning, handcrafted sculpture displayed in our reception. On the tree, hang many personalised leaves donated in memory of loved ones, for whom Leuchie was a special place in their lifetime.

Trees are said to symbolise, inspire and express deep feelings of love and gratitude, shelter and happiness - all things we believe Leuchie provides for the guests who come here. Trees are also personified by their enduring strength and memory, so it seems fitting to have a tree remembering those special to you, and to us.

Leaves can be dedicated in memory of a loved one. We ask for a minimum donation of £250 to have a personalised leaf added to our tree. Your leaf will display for three years, after which you will be given the option to renew your leaf or have it returned to you to keep. You can also choose to place it in a folder which will be displayed beneath the tree in Leuchie's reception area.

Funeral Collections

We know it can be overwhelming when a loved one dies, especially with the many decisions that need to be made. Family members often find it comforting to ask friends and family for donations to a cause important to their loved one.

Leuchie offers a Funeral Notice Page where funeral arrangements can be shared with friends and family, with an option to donate to Leuchie online and leave a message of condolence or light a virtual candle.

If you would like to do this, you can set a page up using the link or QR code below or get in touch with us and we can set this up for you.
