

Fundraising Volunteer

DESCRIPTION

Fundraising Volunteers help raise essential funds for Leuchie House to help families affected by long term neurological conditions. Our respite fees only cover around 60% of the cost of running our essential service.

Fundraising is a fun and varied role which involves giving up an hour or two of your time to raise our local profile and rally your community around fundraising.

Full training and support is provided and your role will focus on activities you enjoy. Some ways you could help include:

- Being the face of Leuchie in your community by handing out leaflets or placing collection tins in local shops and facilities
- Becoming a Leuchie speaker to spread the word about Leuchie by giving talks to community organisation, businesses and school
- Become a treasure hunter and help source prizes for our raffles, auctions and events
- Attend events and support the Fundraising team

At Leuchie House our philosophy is that everyone deserves a decent break, whatever their individual care requirements. With a country-house feel, rather than a clinical atmosphere, our emphasis is on sociable, enjoyable activities, entertainment, enabling technology and therapies as well as health care.
