With **24-hour specialist care**, our guests are offered an outstanding holiday irrespective of their condition and carers get a **vital break**. Breaks include freshly prepared meals,

carers in the UK have reported not having had a break in

YOU have a great impact.

Remember someone

Donating or fundraising in memory of a loved one is a meaningful way to celebrate their life. Funeral collections and gifts in memory are truly valued and have a big impact on our work. We can also help you set up an online Tribute Fund so that family and friends have a place to remember special dates like birthdays and anniversaries year after year.

Dickie loved Leuchie and enjoyed replenishing holidays there. The weekly and holiday respite breaks were also very beneficial to me as I appreciated the rest, knowing that he was having fun and was in caring, capable hands.

Leuchie's Tree of Life

You can dedicate an inscribed leaf in memory of someone on Leuchie's Tree of Life, leaving a lasting memory of them on the walls of Leuchie and honour them by enhancing the lives of others.
